Principals Message

Dear Parents and Guardians,

Hello and welcome to the 2018 school year. The entire team at Westbreen Primary wishes each and every member of our community a very healthy and safe 2018.

The school year has started extremely well and all students have settled into their new classrooms. Team Westbreen welcomes:

~ Ms. Rebecca Hay ~ Grade 1 teacher

~ Ms. Annie Forsyth ~ Integration Aide.

I am sure that you will make them very welcome.

We are very excited to have many new families starting with us this year, including our two classes of Foundation students who will enjoy their very first full day of primary school on Monday.

Parent support in the successful education and development of children is absolutely vital, and we look forward to a really positive and productive relationship with our families this year.

Please make yourselves known to your child's teachers and remember that we encourage you to make an appointment with them if you have any questions or concerns.

At Westbreen Primary School we have an extremely committed team of professionals who work together to make our school a great State Primary School. We have a wonderful and supportive 'learning community'. We also have an extremely strong Leadership Team, amazing teachers and a highly engaged learning community. The students are at the centre of everything we do and motivate us to deliver the very best learning environment for all.

Introducing My Child Conferences:

Tuesday 13th and Thursday 15th marks the first round of meetings between families, students and teachers for the 2018 school year - “Introducing My Child Conferences.” These conferences give parents an opportunity to provide valuable background information that pertains to their children’s learning. It is also an ideal starting point for the communication of expectations and goals for the learning and teaching year. It is important for our children that we all work in partnership with each other. Notices regarding these conferences were distributed to families on Tuesday and we require completed notices be returned to school at your earliest convenience but not later than Wednesday 7th February. Appointment times will be forwarded to you on Friday 9th February.

“School Assembly”

I would like to remind all Parents that our weekly school assembly is held on Wednesday mornings at 9.05am. I welcome and encourage all Parents who wish to attend to do so. They are a great way to be informed of what is happening at School. A highlight of the Assembly is the celebrating of School successes including “Student of the Week”, student’s performances, and student work achievements.

“Family Time” is back for 2018:

“Family Time” will operate in the Senior Years Centre, every Wednesday afternoon from 3.15pm to 4.15pm. Please see more about “Family Time”, further on in this Newsletter. I look forward to seeing as many Parents as possible.

If anyone has any questions regarding the start of the year or any aspect of our school, please feel free to contact either myself, Mr. Daly, your child’s teacher or the General Office. The General Office is open from 8.30am to 4.15pm daily.

Have a wonderful week!

Tony Terra

Principal.
