Dear Parents and Guardian,

Welcome back to Term Three, I trust that you all have had a wonderful Term Two break and were able to spend some quality time with your children. Term Three has started extremely positively with all classes settling in well. Students are investigating the following Concept during Term Three:

**Focus ~PERSONAL WELLBEING.**

**Let’s Stay Safe**  
At **Foundation Level** students will develop their knowledge and understanding of how to keep themselves safe in a variety of situations, including fire safety and water safety. The major focus will be on traffic safety. Students will learn to recognise and respond appropriately to hazards.

At **Levels One & Two** students will develop their knowledge and understanding of how to keep themselves safe in a variety of situations, including at home and at school. The major focus will be on traffic safety. Students will learn to recognise and respond appropriately to hazards.

**Higher Faster Stronger**  
At **Levels Three & Four** students are involved in a range of activities that promote physical wellbeing and a healthy lifestyle. Students investigate sport and athletes at elite level. Students explore how their participation in groups, both at school, and in the community, can enhance their social development. Health and fitness resources, within the local community are identified.

**Sport Attack**  
At **Levels Five & Six** students investigate sport, sporting bodies eg AIS, FIFA, sporting clubs and a sports star and their training regime. They look at organisations and strategies that assist students to become physically, socially, mentally, spiritually and emotionally healthy. They look at the relationships that exist between these dimensions of health and how an effective balance can be achieved.

Please take the time to discuss your child’s learning journey nightly, as often learning is reinforced when children share their daily learning.
PLANNING for 2017!!!!

Enrolments for 2017 are invited and parents are welcome to complete their child’s enrolment through the Office at any time. Parents simply need to complete the school enrolment form and provide evidence of student date of birth and immunization record. Once the enrolment process is complete new enrolments are placed on the student register for 2017 classes. It would be appreciated for planning purposes if parents were able to finalise their enrolments as soon as possible. Please contact Ms. Michelle if you require any assistance with the enrolment process.

Have a wonderful week

PREMIER’S READING CHALLENGE

Just a reminder for all children to keep up with their reading for the Premier’s Reading Challenge and to make sure that all books are entered on the computer. There are still some students who have a large number of books listed as ‘Started’ – These books cannot be verified and counted in the challenge until they are listed as ‘Finished’. On the Challenge book progress chart, finished books appear in green. If the chart is yellow it indicates the books that are started.

How to change a book from ‘Started’ to ‘Finished’

1. Tick the box or boxes next to the book or books you have finished reading.
2. Click ‘Finished’.

Remember that to complete the Challenge, children from grades Foundation – 2 must read 30 books, of which at least 20 must be Challenge titles. (Parents can read the books with or to the Foundation – 2 children). The children from grades 3 – 6 must read 15 books, of which at least 10 must be Challenge titles. All books must be finished by 8th September.

Congratulations to Izyan A from FV, Muaz S from 1/2B and Charlotte G from 1/2M for completing the Premier’s Reading Challenge.

3/4Y THOUGHTS ABOUT WINTER

In winter I like to drink hot chocolate when we are having breakfast. 

Roukaya

Winter is freezing cold! I like winter because I can play with snow.

Billy

Brrrrrrrrrrrr! It was so chilly this morning that I had to put on a scarf, a raincoat, gloves and a woolly jumper. When I went outside it was so cold so I ran back inside. I put on the heater, drank hot chocolate and got a blanket. After a while I was warm so I went back outside. All of my friends were outside, throwing snowballs and making a snowman.

Ben

On a chilly day I like to drink hot chocolate and stay in bed.

Alyah

Brrrrrr! It’s snowing and it’s freezing! It’s June! Yay! It’s time to go skiing. Oh no, it’s raining but I don’t care. I’m going inside to have a nice, hot chocolate drink and get under a warm blanket. We’re going out later for dinner so I’ll need to put on my raincoat.

Taner

Brrrrrr! It’s so cold in June, July and August which are the months of winter. I went ice-skating for my birthday. At the ice-skating rink I saw Frosty the Snowman and snowflakes. I felt warm because I was wearing my ice-skates, a scarf and a balaclava.

Nadine

Chhhhhhhhhhhhh! I skidded on the snow. I nearly froze to death it was so cold! My feet were so numb that I couldn’t feel them at all.

Zak

Outside I can smell the snow and lots of damp leaves.

Ryan

When I woke up this morning it was freezing! Last year when I went to the snow I was icy.

Youssef

Winter is hot chocolate and soft pyjamas.

Joud

Winter is freezing, snowy, stormy, rainy and cloudy. I am wearing a scarf, beanie, gloves and a raincoat. It is exciting to look out the window and see Jack Frost. I love to have snowball fights.

Hanin

I hate winter because it is icy and chilly.

Jasmin S.

I like sitting in front of the heater when it is a bit gloomy outside. I like to wear a woolly, warm coat. I like mouth-watering hot chocolate and warm tomato soup. Sometimes there is a big storm in winter.

Dechlan

It’s so cold! I don’t want to get out of bed! I like winter because of the snow, snowflakes and snowmen. You can also go skiing, play a game with snowballs, ice-skate and snowboard

Vishnu

In winter I enjoy drinking hot chocolate in front of the fireplace.

Poof! Poof! Poof! I enjoy snowball fights with my cousins and friends.

Jacob

I like to draw my name on frosty windows. I like to slip and slide in the snow. I dislike it when I have to get out of bed when it’s cold.

Jasmin M.

Bang! Bang! Bang! I heard the snow hitting my window. I just wanted to sleep because it was icy, freezing, and chilly. My fingers were like ice.

Saja

In winter I love eating an appetising, meat-lover’s pizza. I like wearing warm clothes, sleeping, making snowmen, seeing Jack Frost and playing in the snow.
