Dear Parents and Guardians,

**END OF TERM:**
A final reminder to Parents and Guardians that tomorrow, the last day of term, students will be dismissed from their classrooms at the earlier time of 2.15pm. All families are requested to ensure that pick-up or walk home arrangements are made clear with your children so that there is no confusion at the end of the day. Many thanks for your support.

**REPORTING PROGRAM:**
Parents received student reports last Friday and I trust you found your child’s report to be informative. The reports cover a broad spectrum of student achievement and also address future strategies for further improvement involving the student, the school and the family.

I hope parents and students have enjoyed the Three Way Conferences held this week. I thank parents for their support of the three way conferences and congratulate teachers on conducting a highly successful reporting program.

**BREADTH of PROGRAMS**
It is at this stage of the year when I look at the diary and I marvel at the variety and number of programs and activities that we offer our students. These include excursions, workshops, musical performances and concerts, sporting activities and competitions, whole school events and a great variety of activities to support our curriculum programs. None of these activities would happen without the outstanding commitment of our staff and support of our school community including our Parents’ Association and School Council. I thank all involved for their enthusiastic support of our students and for providing such enriching and rewarding opportunities that further enhance student engagement, wellbeing, resilience and independence.

**THANK YOU:**
I would like to thank everybody for their efforts, support and commitment in making Term Two such a wonderful term for our students to be involved in, and continuing to make Westbreen Primary School a great school. I wish everybody a safe and restful holiday and look forward to another full, active and fun Term Three with lots of positive learning.

**Term Three commences on Monday July 14th.**
Have a wonderful Term break.

Extend OSHC at Westbreen Primary School

Our weekly recap
Time is going quick and we have reached the end of another Term at After School Care. We have had heaps of fun and different sorts of activities this last week. One of the highlights the kids really enjoyed was using and making the “Disney Cars” edition of play dough. We had lots of giggles and interaction playing hide and seek, as well as making simple cooking snacks. Hope everyone has a safe and refreshed break!

Looking forward to seeing you all next Term and continuing the awesome fun!
– Aysun Kiris

WESTBREEN PRIMARY VISITS
PARLIAMENT HOUSE IN VICTORIA

AND MEETS THE HON. CHRISTINE CAMPBELL
AND HON. JAMES MERLINO
On Wednesday the 18/6/14 of June 3/40 and 3/4K went to the museum.

When we got on the bus Mr O’Shea sat next to me. He said I was a chatterbox.

When we got there we had a look around. We saw a blue whale's skeleton. It was huge.

Then we went to a place to do an activity. The lady there handed us some fossils and then she told us how we could know what the diet of a dinosaur is.

Then we went to 600 million years ago. We saw two fake dinosaurs which lived in Australia. We also saw some crystals. They were gorgeous.

After that we went to Bugs Alive. Then I smelt a poo of a bug! I touched an egg of an emu. It was warm.

It was a great day.

Firstly we were on the bus. I can’t wait to go so I got really excited.

When we were in the Museum. I liked the Melbourne history part. In that place I liked the roller coaster and the pictures. I also liked the activity when we used the magnifying glass to see the fossil or teeth. When we went to Bugs Alive. Payman said SMELL THE STINKY THING!! I also liked the Spiders when there were no glass on the section
