Dear Parents and Guardians,

School Concert

Our School Concert ~ “The Rhythm and Beat of Westbreen Primary School,” was absolutely outstanding. The children were marvellously presented in their colourful costumes. The students performed their act in character, with many of them demonstrating a great sense of stagecraft. The supporting cast were also wonderful, namely our Choir professional led by Ms Karen Wileman.

All our WOW factor performers are to be congratulated on the hard work that went into the preparation and rehearsals that culminated in such a brilliant concert. Great work! You should all feel extremely proud of what you achieved. None of this would have been possible without the excellent direction and skills of Ms Kristy. Her dedication to producing such a high-quality show requiring many, many hours of commitment and effort. Teachers and support staff were actively supportive in a variety of ways to ensure all the children enjoyed and benefitted from their involvement. We are also extremely lucky to have such a willing band of hard-working parents who added to this support ensuring that the night was such a success.

To our performers of the night ~ our students - We are extremely proud of each and every one of you, you represented our School with pride and enthusiasm. The comments that I received from Parents and Community Members were very positive and full of praise. WELL DONE TO ALL.
