Dear Parents and Guardian,

2016 SWIMMING PROGRAM:
On Monday 5th September students commenced their swimming lessons. To date the students have represented our school extremely well. From my observations as well as talking to the students, they all seem to be enjoying their lessons and gaining appropriate swimming skills aimed at improving their individual swimming ability. To assist in the changing processes please ensure that all students clothing is clearly labelled with their name, and that students are equipped with appropriate bag/s to store their wet clothing in. Swimming Lessons continue EVERY day next week.

Father’s Day
To all our Fathers we hope that you all had a very Happy Father’s Day on Sunday. To our Parents & Friends Association thank you for providing our students with the opportunity of purchasing a special gift for their loved ones. Special thank you to Anna Martucci, Rosemary Pisano, Danni Italia, Glenda Italia, Deb Clarke, Nez Palay, Bridget Kille and Laura Muller for their assistance with the Father’s Day stall.

STUDENTS ARRIVING AT SCHOOL PRIOR TO 8.45AM:
With the arrival of Spring and warmer weather, I would like to remind families that Staff are not on duty until 8.45am. As a result students at school prior to that are to be accompanied by an adult.

A child unsupervised increases the chance of them being injured, or a delayed assistance with any issues, concerns or questions they may have. We take the safety of all our children very serious and ask for your co operation and support on this matter.

2017 FOUNDATION ENROLMENT:
If you are currently a member of the school community and have a child ready to commence school next year please call into the office to book a Foundation Enrolment tour time. Also, if you know of any neighbours or other families in the area who may be intending to enrol a child at Westbreen Primary in 2017, could you please advise them that enrolments are now being taken.
SCHOOL PLANNING / ENROLMENTS 2017

I know it is VERY EARLY but nevertheless planning for 2017 is now well underway. It is essential that the school is notified of any student in Foundation to Grade 5 who is not intending to return to Westbreen Primary School in 2017.

If your son or daughter will NOT be returning to our school next year please complete the attached notice and return to the school office as soon as possible.

PREMIER’S READING CHALLENGE

LAST CHANCE!  LAST CHANCE!

Today is the last chance to add any books to the Premier’s Reading Challenge.

Congratulations to Ben P from 3/4Y, Ty D from 3/4C, Alex H, Khadija A, Lilly I and Palwashas T from 5/6A and Ben C from 5/6Z for completing the Premier’s Reading Challenge.

PARENTS AND FRIENDS

Thank you to Rosemary Pisano, Danni Italia, Glenda Italia, Deb Clarke, Nez Palay, Bridget Kille and Laura Muller for their assistance with the fathers day stall.

On behalf of Parents and friends your assistance is greatly appreciated.
GYMNASTICS PROGRAM

Next term we will be running our gymnastics program for all students. We have a new company this year called ‘Gymnastics 4 Hire’. Each class will have six 50 minute lessons taken by a professional gymnastics teacher in our Hall. The program will run on Wednesdays and Thursdays from November 9 to December 15.

This is much better value than our previous provider as the lessons are almost twice as long and the cost is cheaper!

The cost per student is $30 for six lessons. Permission notes will be sent home on the first day of Term 4.

For more information on Gymnastics 4 Hire, go to www.gymnastics4hire.com.au

AUSTRALIAN RESILIENCE COACHING FOR TENNIS

The human brain is the last frontier.

We have learned more about the brain in the last 10 years than in the last 3000 years.

For the longest time people considered elite tennis player's to possess supreme athletic abilities.

It's only now we are looking at what goes on in a players mind during a match which determines the outcome.

When we look at historic mistakes on the tennis court they’re mistakes associated with fear that impacts on decision making. When the brain is confronted by fear it presses the body's panic button sending messages throughout the body affecting performance levels.

With our training, the brain can learn how to react to pressure situations. “Cannot” thoughts become “Can Do” thoughts.

Providing tools and strategies for competing with a healthy attitude.

TERM 4 LAUNCH: COME ALONG TO RED25 WEEK AT EXTEND AFTER SCHOOL CARE

A week filled with exciting science, craft, cooking, and sport activities based around giving blood, and general health and well-being.

Extend is coming together as a community with a goal to raise 100 blood donations by the end of October this year. To encourage everyone to get on board, Extend Director Stevenson will complete one of three possible dares if we reach 100 blood donations! Visit darrensdare.com to watch our launch video and see further information.

Your child can get involved by coming to Red25 Week in Term 4! Discover what blood is made of by creating a sensory model, learn about the different blood types and which are compatible during a fun science experiment, put your chef’s hat on and join us in making the World’s Greatest Biscuit…and much more! Speak to your Team Leader to find out when Red25 Week begins.

Attention families and teachers: Be part of our goal to reach 100 Blood Donations! Visit darrensdare.com for further info.

Our weekly recap

Last week in After School Care we had a lot of new and fun experiences. We learned all about the lifecycle of a butterfly, and made mobiles to hang around our room.

We became Mini Masterchefs making our own pizzas for afternoon snack, they were delicious! We were intrigued by optical illusions and had a paper plan race to finish off our week.

Rebecca, Team Leader

Our Extend Superstar is … Jasmin Sarri for always taking care of our After School Care room by helping to tidy and pack things away.

Next week’s activities:

Monday 12 September: Extend Collage
Tuesday 13 September: Walking Water Experiment
Wednesday 14 September: Chocolate Crackles
Thursday 15 September: Making Footy Cards
Friday 16 September: End of Term Party
