**ANGER**

Anger is a colour of a red blazing fire.

Anger tastes like red, hot chilli peppers.

Anger smells like a house burning down.

Anger looks like a fire engine racing down the street.

Anger sounds like sirens blaring.

Anger feels like a feisty conversation about to explode.

Anger makes everyone mad!

**EXCITEMENT:**

Excitement is the colour of light pink.

It tastes like ripe strawberries and raspberries.

Excitement smells like pink lady apples that are fresh ready to be eaten.

Excitement looks like flowers blooming in a garden.

It feels like surprising moments and shocked faces.

Excitement feels like Joy!!

**Blue** taste like a blueberry flavoured slushies,

**Anger**

Anger is black

Black is the colour of my mum yelling at me

Black is the sound of kids sobbing

Black is the smell of ashes in the woods

Black is the taste of panamax in my mouth

Black is the feeling of nowhere to go

Black looks like a dark room in the movies

Black is spooky, BOO!

Extend OSHC at Westbreen Primary School

This week at After School Care the children and I made some sweet biscuits with chocolate icing toppings and some Jelly. Everyone got to be little Master-Chefs who worked well as a team together and used hands on skills to complete their tasks. Indoor sports and activities are always requested at the service and it's a great way to keep the kids engaged and actively involved.

It's fantastic to see the numbers increasing even more at After School Care and a warm welcome to all the new children to our service.

Don't forget to always wear your hats when outdoors and to 'Slip Slop Slap' on some sunscreen.

Looking forward to continuing the awesome fun next week!
