Principals Message

Dear Parents and Guardians,

A reminder to all that the last day of term is next Friday 29th June and students will be dismissed at the earlier time of 2.15pm. All families are requested to ensure that pick up arrangements for 2.15pm on the last day of term are made clear with children, so that there is no confusion.

REPORTING PROGRAM:

Student Reports with "Three Way Conference" appointment times will be sent home tomorrow Friday 22nd June with individual children in a sealed addressed envelope. If you do not receive your child's Report or Conference time/s please contact your child's teacher or the office.

"Three Way Conferences," will be held Tuesday 26th June. This day is a Pupil Free Day and as such students are only required to attend along with Parents/Guardians during their Conference time.

The Reports and Three Way Conference provide a comprehensive overview of student achievement and progress for the first half of 2018, as well as indicating areas for improvement, and the role of both the school and family in supporting future learning in 2018. I trust you find the Reports and the Three Way Conference informative.

I congratulate Staff on the quality of their Reports and thank them for the huge amount of work that went into preparing and writing each Report.

THREE WAY CONFERENCES:

I hope parents and students enjoy the Three Way Conference meetings next week. The three-way meetings provide students with an important opportunity to talk about their learning, their individual strengths and areas that may need more attention. They also provide teachers and parents with the opportunity to share information on the learning progress of every student in a relaxed and informal setting. I hope all families are able to attend and take advantage of the meetings and continue the journey of being an active and valuable partner in your child's education.

I believe that the Westbreen reporting program which includes the Reports and the Three Way Conference, provides an excellent summary of student performance for every family.

SCHOOL WEB SITE:

Our school web site has a wealth of information relating to our school - Programs implemented, future activities, services provided and key documents concerning school performance, future directions and Annual Reports. Our web site is updated on a weekly basis including the weekly Newsletter. Our web site can be accessed by using the following web address.

Recap

Hello Families,
Hope you are all well!

We have had an amazing week here at before and after school care. The students had a blast with Harry Potter week.

Every student loved learning about different potions, making their own wands and playing quidditch.

They were extremely sad to see this particular week end and have requested for more Harry Potter themed activities which will be pursued in the near future. However, they are looking forward to sports week! Students will have a range of activities conducted which will be exciting.

With the student's requests and input, awesome activities have been planned. The students and I are looking forward to sports week.

Until the next newsletter please stay well.

Sarah Ayoubi, Service Coordinator
